Hi Blair,

No worries, lunch another time will work.

I am technically on council recess but will be officially back on the 13th. Let me know when you're free for a time after then.

Enjoy the rest of your day!

Jessica

Jessica,

I'm so sorry I missed your tour of the district. My son's father performed a little concert for his class and I had to be there. I'd like to connect on our own for lunch soon when scheduling permits.

I also wanted to bring up something we were working on with Sara regarding the relocation of several bus stops in the district. Each has their own reason but I think I need to work with you guys as well as MTA on it.

Let me know if you have any availability in the next week or two. If not lunch, then Uli.

Regards,
